WE MEAN BUSINESS

MSquared|Holdings (Pty) Ltd has been founded in 2010 by Mr Mokhine Tumelo Malefahlo after realising the rising need and the gap of entrepreneurs and the professional skills around the young black owned Small Medium & Micro Enterprises (SMME). Mr Malefahlo accumulated an immense amount of skills in the field of **Engineering, Design, Project Management, Energy, and Explosives**, with a combination of passion in **Logistics, Transport and Property businesses**. He holds qualifications in Engineering, Quality Management, Project Management, and Management Development Program.

WHO WE ARE

VISION

To be the preferred mature and new generation holding corporation that provides affordable, reliable and comfortable transportation, energy, property and mining services solutions nationwide.

MISSION

The organization strives to lead in innovation and development of the industry's most advanced distribution, energy technologies, property solutions and mining services systems. Translating the advanced systems into competitive value for our individual and corporate customer, through our professional solutions and dedicated business services.

We commit to:

- Provide environment which would enable staff to deliver on our service pledge.
- Improve our systems enabling stakeholders to access our business services through the use of technology.
- Continuously grow the market share by improving on service offerings and distinctive competencies, whilst remaining profitable to sustain the organization.
- Maintain and improving on image through ethical and transparent business practices to sustain the environment.
- Recruit, develop, reward and retain personnel of exceptional ability and provide them with excellent working conditions.

VALUES

- **Customer Orientated**
- **People Orientated**
- **Integrity**
- **Safety Driven**

OUR VALUES

CUSTOMER ORIENTATED

We meet customer's expectations by proving service quality, professional performance, and efficient supply.

INTEGRITY

We apply ethical values and fairness in our interactions.

PEOPLE ORIENTATED

We respect and encourage individuals to grow and reward performance both to their teams and the organization.

SAFETY DRIVEN

We commit to provide a safe working environment to the accredited standards.
